

ATP Consulting, Inc.

Technical Support Schedule
Summer 2009

Website/Blog Troubleshooting & Repair

Exceptional attention to detail allows us to pinpoint common problems with your existing web page or blog site. Fast turnaround for most common issues including advertising!

\$125* typical fee + hourly rate

Web Site Hosting Service

Fire & forget service- we handle the details, you stay online!

\$42/mo* w/2-yr contract. \$125* cancellation fee.

Domain Maintenance

Want your own .com or .org but having trouble getting there? We take care of it. We can also keep search engines updated with your website registration and add links to social networks such as myspace and twitter. Need an RSS feed? No Problem.

\$10/mo* w/2-yr contract. \$125* to cancel or transfer.

Monthly Maintenance Program

Keep the dust off your web site; allow us to keep tabs and let you know when issues arise and receive our service if needed, at a discounted.

\$19.50/mo* pending contract details

Web Log (Blog) to .com conversion

Ready to take the jump from "blogspot" to your own web space, without sacrificing all those hours you spent setting it up? We can handle it- seamless conversion.

\$295* flat rate for most sites. Higher complexity sites add rate discounted to \$55/hr*.

Education/Tutoring/Lessons

5 week class structure for flexibility. Homework, reading assignments, and testing will be included. Teaching specialists! Customize your instruction: send us a punch-list of your goals and we can structure a way to get you there!

\$55 per week* (2 lessons) or \$35* per lesson.
